BEHAVIORAL HEALTH

Improving Lives by Design

Because it isn't just medicine that makes you feel better. We believe a better environment can make all the difference for patients, visitors, and care providers. That's why our innovative Behavioral Health products offer both comfort and durability for high-use settings – and set a new standard for the healthcare experience.

Accent

Accent

Accent specializes in versatility, with its wide range of applications, and choice of three seat widths.

Jax

Jax

Offered with or without arms, and featuring a single contoured seat and back, Jax chairs are strong, comfortable and easy to clean. Also, the choice of two seat widths makes the collection versatile enough to be used in many applications.

Legend

Legend

Legend provides durability, enhanced safety and an attractive aesthetic. Available in a choice of three seat widths and with coordinating occasional tables.

Onward

Onward

Onward Lounge offers a simplistic transitional design that conceals a robust steel internal structure that adds weight and durability. Available with optional 3-Way CLEAN-SWEEP™ around the seat cushion.

Jensen

Jensen

Built to last: Durable and safe for high-use environments, Jensen for Behavioral Health blends stylish design with the strength of metal – while maximizing comfort and cleanability.

Vista II

Vista II

It's the cleanable, attractive Vista II for Behavioral Health environments, with features to enhance durability and safety.

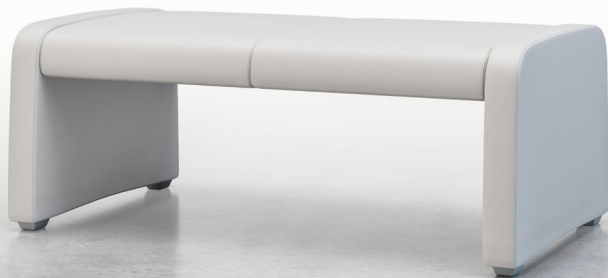

Onward

Onward

Onward benches are available in several sizes, all designed to coordinate with Onward Lounge Seating to create safe and attractive Behavioral Health spaces.

Cassia

Cassia

Cassia synthesizes form and function, meeting the Behavioral Health requirements of durability, comfort and safety, in an inviting, contemporary design.

Attezza

Attezza

Attezza modular seating for Behavioral Health is designed to suit a wide range of spaces. While the first impression is one of style and comfort, Attezza is designed to serve critical environments that require a higher level of durability and safety.

Valet

Valet

Valet offers a new standard in Behavioral Health lounge seating, with its attractive, modern aesthetics and thoughtfully designed safety features.

Verity

Verity

The Verity Lounge Collection for Behavioral Health offers a soft, home-like aesthetic with unexpected durability that withstands high-use environments. The attractive and comfortable collection, which features rounded edges and many options to modify, is ideal for areas that invite users to lounge for extended periods of time.

Porto

Porto

Porto benches are built to the highest standard of quality and offer a contemporary style in a choice of 2-seat or 3-seat configurations with solid surface and power/USB options.

Flo

Flo

Comfort meets durability when dining with our Flo Chair and Table Series for Behavioral Health. Offering beautiful organic lines and a soothing color palette, Flo provides a calming aesthetic that invites users to relax while dining safely in an intensive use space.

NIGHTINGALE
AWARDS
2021

Gold Award

Resilia

Resilia

Resilia Drum Table brings style and warmth to Behavioral Health facilities, and features a Marmoleum™ surface that is highly durable, easy-to-clean and not susceptible to chipping or cracking.

Nightingale
Awards

Iris

Iris

Versatile and sleek, Iris pairs durability with understated modern elegance to complement a variety of Behavioral Health seating applications.

Pier

Pier

Sleek, yet sturdy. Pier Tables are built for high-use Behavioral Health environments, with heavy-duty tops and adjustable-glide post legs that withstand wear and stabilize against tipping.

Frontier

NIGHTINGALE
AWARDS
2019

Gold Award

Frontier

Frontier is a rotationally-molded collection for Mental & Behavioral Health consisting of a bed, bedside cabinet, desk, shelving and chair. All coordinating units are constructed with high impact polyethylene, continuously molded for maximum durability.

Fortress

Fortress

Fortress case goods are designed to bring a residential-style warmth to Behavioral Health facilities, while ensuring a high level of durability and considering for the safety and well-being of patients and staff.
