Cayman by Enwork

The Cayman Collection's cutting-edge aesthetics and dedicated creature comforts redefine user experience and modern design in private office and small conferencing spaces. Orderable by the inch, with fast installation and modern conveniences, Cayman delivers best-in-class innovation.

Cayman

Design Details

Solid Aluminum Shelving
Design with intent

Gentle radii , crisp lines, and recessed low-profile LED lighting enhance beauty from every angle.

Top Shape
Invite collaboration

Soft curves along the guest edges invite collaboration through an approachable, comfortable aesthetic.

Cantilevered Surfaces
Light scale, uninterrupted aesthetics

Cayman surfaces are available in fixed-height and height-adjustable configurations. Integrated wire management keeps cords out of the way, and optional modesty panels are available in a variety of finishes.

A Refined Approach
Elegent, innovative, and quick to install

Incorporate a variety of materials with ease. Work wall panels install perfectly fush, even when varying from glass, laminate, or fabrics.

Pre-configured Modules for Easy Specification

Cayman begins with base office typicals then additional modules are added per customer preference.

ADD-ON MODULE

BASE OFFICE A

TOWER MODULE

Aluminum Shelves

Microwave Garage

Modern-Day Convenience

Microwave Garage
Appliances within reach

Utility storage beneath the tech drawer is available with either a double door for a microwave and accessories or a lateral file drawer for Pendaflex files.

Technology Drawer
A space for everything

Return cabinets include a tech drawer with easy access to power and data. Features include built-in ventilation, a steel partition for accessories, soft-close slides, matching drawer body laminate, and a protective foam base.

Appliance Garage
Bring the home office to work

The Appliance Garage is an ideal space for a coffee maker and personal refrigerator. Appliances available from Enwork. Two integrated outlets power appliances. Cabinet door is available in laminate or glass (non-magnetic).

Printer Garage
Organization and efficiency

Pull-out printer storage with a side-access paper cubby ensures every item has its place.

Height-Adjustable Return
The executive email station

Electric height-adjustable returns create the perfect email station or supplemental workspace. Ideal for use with the 80" Executive Height product configuration.

Single Door Storage Tower
Features adjustable shelving, a power-outlet, and several storage spaces.

Side-Access Wardrobe Tower
With Appliance and Printer Garage

Designed with superior utility in mind, the Side-Access Wardrobe features space to hang and store personal belongings like bags, jackets, hats, or shoes. Standard with hook and angled metal shelf.

Front-Access Wardrobe Tower
With Appliance and Printer Garage

Built-in Appliance and Printer Garages make an ideal combination for high-performing private offices.
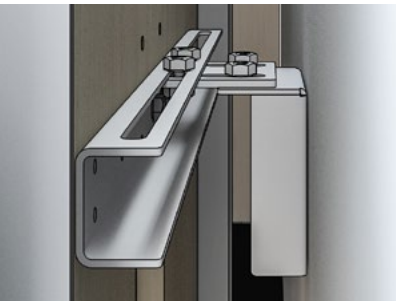

Every Detail Counts

Common Top and Base

Common low-storage top with no seams achieves a continuous span. Black plinth base beneath cabinets creates an elegant floating furniture aesthetic.

Specify by the Inch

Add-On Modules are specified by the inch to perfectly fit uniquely-sized office footprints. This is especially easy when configuring Cayman in CET.

Wall Tether and Wire Management

Freestanding Cayman requires minimal connection to the architectural wall. A 3" gap exists between the Cayman work wall and existing wall to manage cords.
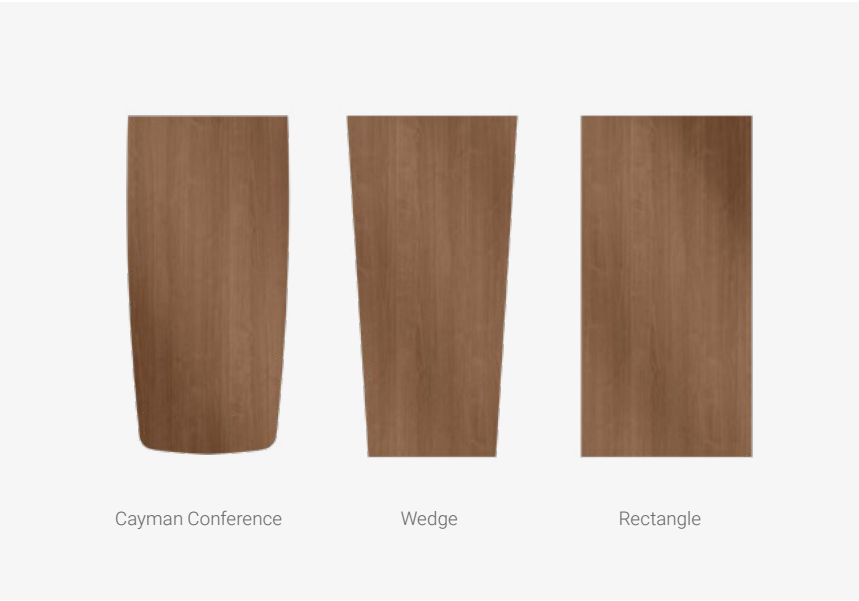

Defining Team Space

Cayman shines in team-based environments. Full-size glass markerboards, tackable fabrics, and integrated technology make developing unique touchdown applications easy.

Cayman
Conferencing

Pre-configured Conference Typicals

Designed with meeting and video conferencing in mind, Cayman is available in fixed-height and height-adjustable configurations.

| Cayman Conference | Wedge | Rectangle |

Conference Top Shapes

Cayman's intentionally designed top shapes are perfect for conference and meeting applications. Slight rounded edges create an approchable, organic aesthetic.

Utility Tray and Sound Bar

The Utility Tray features two power outlets, USB A+C connectivity, marker storage channels, and a dedicated soundbar tray. When ordered, a grommet beneath the worksurface allows cables to pass easily into the management trough.

Available from Enwork, the Sonos Beam 2 soundbar is an ideal component for bringing conference rooms to life.

Cayman
Components

Create coordinating accent walls with displays, cabinets, and integrated shelving. Cayman Components offer a complete solution ranging from conference rooms and private offices to custom applications.

Conference Room Accent Walls
Substance and functionality in the conference room

80" H Cayman accent walls with full-width shelving, quartz common top, locking double door cabinet, LED lighting, and floating plinth base.

Private Office Storage Walls
Utility and sophistication in a variety of spaces

80" H Cayman accent wall with a freestanding tower, glass markerboard, laminate common top, double door cabinets, and floating plinth base.

Cayman Corners

In Development: Available May 2023

Cayman corner configurations make the most of private office spaces with continuous storage and surfaces. The result? Less clutter and intentionally designed spaces.

Wall-to-Credenza
80"H Wall to Credenza L-Junction.

Wall-to-Wall
80"H Wall to Wall L-Junction.

Base Offices

Product specification begins with pre-configured Base Office A or B. Both include a 34"D x 72"W fixed or electric height-adjustable worksurface and a storage cabinet with an acrylic sliding door.

Base Office A

Includes return storage with a tech drawer and a choice of a two-door cabinet for a microwave or a soft-closing lateral file case.

___

Base Office B

Includes an electric height-adjustable worksurface return

The return adjusts independently of the adjustable cantilever top (if selected) and includes a programmable handset.

___

80"   66"

Typicals are available in 66"H Standard Height or 80"H Executive Height configurations.
Model is 6'1" tall for scale and reference.
